

Lab 04: GUI Programming with Swing

1. View Store Screen

Add book:

A dialog box titled "Add Book" with a green header bar containing a book icon, the title "Add Book", and standard window controls (minimize, maximize, close). Below the header is a tab labeled "Options". The main area has a title "Add Book" and four input fields: "Title:", "Category:", "Cost:", and "Authors (1 per line):". The "Authors" field is a multi-line text area with a vertical scrollbar. An "Add" button is at the bottom right.
